Q1: What exactly is contained on my Hula/Tahitian On-Demand DVD™?

A1: For \$125 + tax, your custom hula or Tahitian dance DVD will contain your entire dance choreography. Depending on how fast you need your order and our production load, you will receive: a DVD of raw footage and verbal instructions on how to dance OR an edited DVD with a “start” screen at the beginning of your dance.

Q2: How do I use my Hula/Tahitian On-Demand DVD™?

A2: Simply pop your DVD into a DVD player and press play. You may choose to learn your choreography with no music. Or for optimal enjoyment, you may select to play your own personal music on a separate music player at the same time. We deeply apologize! We understand that this is difficult to do when you are already learning something new. However, this is necessary in order to keep costs down and produce your DVD faster. If you are interested in adding music to your DVD, simply let us know. We will need to secure licensing from the song writer, song artist and publishing company. Please know this will take additional time. Depending on the song and situation, fees may be in excess of \$100,000. Again, we deeply apologize for this situation. Please bear with us. (hug)

Q3: Can I make special requests for my Hula/Tahitian On-Demand DVD™?

A3: Yes. There will be an additional charge per special request.

Special requests may include:

- Additional versions of the song: Easy, Medium or Challenging (additional \$10 each)
- Choreography broken down into just hands or just footwork (additional \$10 each)
- Hula, Tahitian or Maori dance implements (additional \$10 each)

Q4: Will my DVD have music on it?

A4: No. We apologize. Due to music copyright laws, we are unable to do this for most clients. (See A2.)

Q5: Can you redo the DVD if I don't like it?

A5: No. Upon ordering, it is your responsibility to explain clearly to us any specifications you need your DVD to contain. Once the order is placed and the DVD is made, you will need to order another custom Hula/Tahitian On-Demand DVD™.

Q6: Refund Policy: May I receive a refund if the DVD is not to my liking?

A6: No. There will be absolutely no refunds. Your Hula/Tahitian On-Demand DVD™ is choreographed and custom made especially for you. Like any other DVD store, once you open the DVD package, you are unable to get a refund. This is due to burning and returning issues.

I understand and agree to all of the above terms and conditions.

Q7: Return Policy: Can I return my DVD if it doesn't work?

A7: Yes. We preview all our DVDs for quality assurance before they are released.

However, in the unlikely event that there is a manufacturer's defect of the DVD, you are able to exchange it for the same item. This return and exchange must be done 30 days of the DVD's original receipt. You will be responsible for all shipping charges.

Q8: Privacy Policy: Will you ever sell or give out my personal information?

A8: No. Your information will remain private.

Q9: Security Policy: Will you have access to my credit card info if I pay by PayPal?

A9: No. PayPal does not give Wanna Hula your credit card information. If you do not have internet access, you may submit your debit/credit card payment by this order form. This information will remain confidential and be stored in a safe place.

Q10: How long will it take for my DVD to be made?

A10: It takes about 6 weeks to complete a custom DVD from the time of your order and payment's clearance. This does not include shipping time or fees. If you would like your DVD produced 3 weeks early, please submit a \$20 rush fee. Please know that if you would like your DVD rushed, you will most likely be receiving a DVD of raw footage and verbal instructions so we can process your order more quickly.

Q11: What type of payments do you accept?

A11: We recommend cash payment because it is the most cost effective for you. However, we also accept checks, PayPal, debit/check cards, credit cards. There will be a \$40 fee for all returned checks. Due to Nigerian scams, we do not encourage money orders. However, if you choose to submit a money order, please be advised that it will be cashed at the place of purchase. Wanna Hula will wait until it is cleared before proceeding with your order. This may result in production delays.

Q12: How do I know if I am dancing correctly?

A12: Try our new [Hula / Tahitian On-Demand Video Course™](#)!

Send Sarah a video of your hula dancing. Sarah will personally view your video. You will then receive a return hula or Tahitian video message. This hula or Tahitian video message will include easy to follow examples on how to improve your hula or Tahitian dancing based on your video and performance tips.

I understand and agree to the above terms and conditions.
